## Sue Dunning - Cooma Pool

Sue Dunning spoke on the upgrade of the Cooma Swimming Pool. Sue is a former GYE student, who went to NZ, and was probably one of the first in Australia. She is very enthusiastic about the pool. The upgrade is to be carried out in stages, the first is to relocate the change rooms from their present

position to the bottom side of the pool, and have glass panels installed around the pool that can be opened in warmer weather and closed in cooler weather to extend the use of the pool. Tenders are presently being called for and close on 23 July 2009. It is also proposed that the present change rooms be used as a gym, a possible BBQ area, and further consideration be given to a bike hire centre as it is close to the bike track, and possibly a coffee shop. Sue did not think it was needed to extend the pool to a 50 metre pool. Her second presentation was to provide fitness stations along the bike/walking trail. Sue showed overviews of fitness stations at Gungahlin which included chin up, hand rail and body press facilities, with displays

of recommended methods of use displayed on a metal sheet and suggested that any sponsor could put their details on the other side. She also suggested that Rotary could get behind this project and sponsor some equipment.
