He that knows not, and knows not that he knows not, is a fool. Shun Him.  
He that knows not, and knows that he knows not, is an honest man. Help him.  
He that knows, and knows not that he knows, is asleep. Wake him.  
He that knows, and knows that he knows is a wise man. Follow him.  
(Sounds like something Heather J. read on a toilet wall doesn't it?)

Next Week: Lou Moore.

**NEWS AND HAPPENINGS**

**\*Market Day BBQ.** We had 24 stall holders, which means \$240.00 (however most of this will go in advertising). The BBQ made a profit of \$180.00, but we still have about 100 steaks and sausages for next time. Thanks to those who manned the BBQ, next time Julie J. will be bringing a calculator as she ran out of fingers while adding up and particularly when subtracting.

**\*P.A.C.E. Visitors.** These visitors were terrific Ambassadors and had a truly wonderful time, which wouldn't have been possible without the hospitality of the host families, Oades, Slaters, Mercers, Jacobys, Simms, Hatfields and Marko. Thanks to you all. Thanks also to our willing catering crew Doris and Gordon Haylock who put in a lot of time, preparation, presentation and then cleaning up. Thanks again to you all.

**\*Rotary in Australia.** The Rotary Club of Ginninderra invites all Rotary Clubs to the PREMIERE PRESENTATION OF *ROTARY IN AUSTRALIA*, which has been compiled by the National Film and Sound Archives for the District 9680 Conference. This screening is to be held on Tuesday 17.2.98 and is a singular opportunity for us to view historical footage, which due to copyright there is little likelihood of such material ever being released for sale. The evening will be a partners night, approximate cost \$10 - \$15 depending on attendance. RSVP to Secretary, Des by Tuesday 27.1.98.

**\*Rotary Shed.** The area assigned for EVENTUAL erection of our Rotary Shed adjoining the Lions Shed is 6m by 9.6m. Accordingly we cannot access it from the Air rifle Club side (not deep enough to accommodate our caravan), so we will have to access from the same side as the Lions Club. To do this the Rifle Club shed will have to be removed and the Air rifle Club wish to sell this shed to finance their construction of a new storage facility on to their present building. **AIR RIFLE CLUB COLOURBOND SHED FOR SALE** 6m long by 3.6m wide by 2.4m high, 3" by 2" wooden beams, heavy duty metal angle iron with steel pillars bolted to cement floor. Cost \$1200.00, contact Joe Messerer at the air rifle club.

**\*Last Meeting.** Margaret Hassal gave us a very interesting talk on her study trip to Thailand, particularly the difference in culture, communities and living (apparently didn't like some fruits), would have been very helpful to some out going exchange students. Introduced by Charles Oades, Vote of Thanks Ken Dane

**\*Cheryl Toole.** Back next week so nobody misses out on shouting drinks on Birthdays and Anniversaries now!
