NEWS AND HAPPENINGS:

-  **Welcome New Members:** Bill Roach who comes to us from Batemans Bay. Classification Banking – Commercial. With wife Annette we all welcome you and hope your stay with us is most enjoyable.
-  **Darrell G:** Will be away for June. So can you all be very accurate with apologies, guests etc to his officer, as the kitchen gets a bit stropky if numbers are too far out.
-  **Change to the Rotary Membership List:** Phone numbers: Tony De Tommaso AH Phone No. is 64522680. Please Note.
-  **Pres Brian & Alyson:** (with some others) attended the Red Faces/Trivia Night. It seems they swept the pool (no one else there huh?) and they won a few bottles of wine which were raffled at dinner. Not bad Brian, raising some \$30 for two bottles of wine with a street value of \$13 total.
-  **We Received a Post Card** from Katherine Lees in Switzerland. Seems she's having a really good time and has finally been invited to a Rotary Function.
-  **From Int. Dir David E:** Applications for Ambassadorial Scholarships are now open. You must have at least 2 years Uni or 2 Years Vocational Training and not be a Rotarian or Related to a Rotarian to apply. See David if you require a form.
-  **The Opening of the Thredbo Community Centre:** is on Wednesday 3 June. Pres. Brian will go and anyone wishing to travel up please talk to him.
-  **John M:** has started a Soccer World Cup – should be interesting.
- Dave H:** thanked us for the help given for The Salvo's Door Knock. Seems we had no trouble in fielding teams this year. A pleasant change.
-  **From Alyson H-J:** in the Rotary debating challenge – St Pats is now in the finals. Best of British Luck to you and hope to see you victorious.
-  **The DG's Change Over:** at Batemans Bay. Pres Brian has to go and would like some company. Any takers?
-  **Tony D:** will be holding an Ecumenical Service at the Salvation Army Citadel, Mittagang Road, Sunday at 7 pm. All Welcome to attend.
-  **Guest Speaker Alan Hall:** gave us a run down on why we are facing a shortage of potable water. Pollution (blames agriculture mainly) has led to a greatly reduced availability of potable water. It also appears that spare water and population generally don't go together. Within Australia most spare water is up north in the wet and we here are in drought.
-  **The Olympic Legacy Travelling Exhibition:** will be at the Multi Function Centre, Show Ground from 9 am 3 June to 5 pm 5 June. Free admission. All welcome & it even has a large model of the Olympic Centre.
-  **From the Last Board Meeting:** A total of \$2,700 will be distributed at the end of year. This is excess to what has already been disbursed. Not a bad effort.
