 **Guest Speaker Tanya Radasavlavic:** one of our two 1998/99 Global Youth Exchange Students, delighted us with her recollections & reflections of her year in Namur, Belgium. Tanya, now at the ANU presented President Gordon with a banner from the Rotary Club of Namur, Belgium. She told us of her struggle with the French language & how she would cuddle up to her young host brother who would help her read comic & storybooks. Her experiences included visits to other European countries, becoming involved with the Girl Guides & talks to several schools on Australia. Tanya ran a team marathon for Rotary & only realized she was running against professionals when as second runner she was lapped. With her Zimbabwean exchange friend Sarah, she organised a one-hour concert for Rotarians of the three clubs in Namur. She completed various achievements during her year – learning to rock sculpture, piano playing, mastering French, sampling many of the 800 varieties of Belgium beer & becoming addicted to Belgium chocolate. She thanked Cooma Rotary Club, family & counselors for giving her the opportunity to Follow Her Rotary Dream.
