LAST WEEKS MEETING:

Changeover was a wonderful night for everyone. Rotarians from other Clubs, partners and guests helped to make it a very memorable evening. Mayor Tony Kaltoum thanked Rotary for the great effort put into different events held in Cooma. He spoke about the "trouble with the Markets", but assured it will be resolved by August.

Ashley Constance proposed the toast to Rotary International. His speech was an inspiration to us all. A reminder of our dedication as Rotarians to uphold the Rotary dream, all 1.2 million n 29,000 Rotary Clubs in 160 countries throughout the world. In responding PDG Bill Doherty, representing the DG felt that Ashley's toast was the best he had heard about Rotary International. Rotary Clubs should remain as a mesh with strong chains linked together in fellowship, service and fun. Bill's "bird" story raised a laugh – "if you have been in the pooh, get out of it, don't make a song about it".

Report by outgoing Pres. Gordon on our Rotary year. Rotary had donated to many very worthy causes in Cooma. It shows that all our efforts at different venues are strong links in the chains, along with other Service Clubs, such as Lions and Apex, all working together for Cooma. Pres Gordon presented our master raffle seller Keith Goodwin with a gift of appreciation for his wonderful work in all weather.

Incoming Pres. John was inducted and presented the Year's Rotary Theme and Board for 99/2000.

NEWS:

Secretary Des Trute would like names from anyone who could attend the 90th birthday of Robert (Bob) John Rolfe's birthday at Batemans Bay on December 18th. Bob was a member of Rotary in Cooma for many years serving as Pres. in 80-81. It would be nice for Bob to see some old friends.
