THOUGHT OF THE WEEK by Alan Frost

A smile will always add to your face value. A bright eye indicates curiosity. A black eye indicates too much! Next Week: Carlo Pauletto

LAST WEEKS MEETING:

Robert Dunn, Year 12 at Jindabyne Grammar, one of 90 talented students who attended the Honeywell Engineering Summer School in Sydney. It enables students to experience the many facets of engineering and helps them decide their future. Robert told us he is at a crossroad, yet to decide his engineering direction. Kelly Gorcoran, Year 12 Hurlstone Ag School, attended the Rio Tinto National Science forum. It included visits to laboratories in Canberra and the mint, where she ran her fingers through 45,000 x \$1.00 coins. Oh! What a feeling! Kelly was selected not only for her scholastic achievement but also for her public speaking. Both Robert and Kelly gave us a very interesting insight into their future and thanked Rotary for the opportunity.

NEWS:

Honeywell National Engineering Summer School and Siemens Science Experience – nominations by 30 July 1999 to Geoff Bowland.

District Governor 2001/2 – nominations to club Secretary by 17 August .

Markets: 18th July. Roster: Rob S; Col A; Mark R; Dave L (Gordon H – Caravan/Meat).

FUTURE PROGRAMS:

28 July Issues in Local Government – Neil Watt

4 August "George" – Chris Adams
