LAST WEEKS MEETING:

Major Robertson (Salvation Army, Canberra) gave a thought provoking talk on the drug problem. He said most drug takers look upon it as "fun", and it is not until they have lost everything, family, friends and job that the "fun" turns to despair and help is sought. According to tests in UK the so-called harmless drugs are the cause of many car accidents.

Vested interests in TV in many cases, do not give the public the facts regarding drugs, Major Robinson said, but on positive note, a quarter of offenders will be rehabilitated.
