LAST WEEKS MEETING:

-Jill took us for a tour of the Defence Force Call Centre. This "State of the Art" centre opened in November and operates 7am to 10pm daily, has 42 individual operational seats and is called upon to handle 400 to 3,000 calls per day, as it expands will bring more employment to the area. On one day handled 1,100 calls regarding Defence Force recruitment. A big improvement on the old Grace Bros Rural Hardware Shop.

-Lousia Pauleto, our Returning GYE student from Germany gave a short talk on her exchange. Said her host country were a hugging, kissing & "Fondling" type of people and her aim is to convert us to the same. (I believe Dave Libauer has already booked a seat to Germany to check this out.)
