ROTARY INFORMATION:

New District Boundaries mark a historic advance for Clubs in Central/Eastern Europe. The chartering of the Rotary Club of Budapest, Hungary, on 25th June 1985 signaled the rebirth of Rotary in a land where it had a proud history. The chartering of the Rotary Club of Warszawa, Poland, five days later marked a similar milestone. But it was not until the fall of the Berlin Wall later that year that Rotary could begin to realise its full potential in the Central/Eastern European region. (The Rotarian, May p. 38)
