ROTARY INFORMATION: Rotarians Donate Tools to Fight Poverty in Africa.

Without the proper tools and equipment, many poor people who want to improve their lives and communities often can do very little. Rotarians in Nottingham, England, however, have completed a month long project designed to help those faced with such obstacles to help themselves. Tools for Self Reliance has been providing tools and skills training to some of the poorest communities in Africa since 1979. (The Rotarian – July p.3)
