#### **LAST WEEKS MEETING:**

Club Assembly. Well what came out of it? Brian's talk made members sit up, three went to sleep or rested their eyes all at one table, and another played with the thing on his top lip. Just one small matter that may have not been told to new members by their sponsor, as coming into the Club that Club Assembly is a Closed Meeting. There are to be no guests at that meeting. If new members are not sure of this matter please ask your sponsor or any senior member, and they would only be too pleased to explain the matter to you. Little more about next week's Guest Speaker, Robert Cusack. On April 3rd Robert joined the Calvary Group from ACT Community Care where he has held a number of executive positions since July 1996, the most recent being Executive Director of Primary and Integrated Care. Robert grew up on a farm near Boorowa. He is married, with one child and enjoys a wide range of sports including rugby, golf, cricket and tennis. His most notable sporting achievement was captaining Eastwood Rugby Club in Sydney from 1989 to 1991. Robert has a degree in Health Services Management.
