The Rotary Christmas Party Train trip to Chakola – a good meal, a very happy crowd, and the children had a ball. The youngest Rotarian was young Roach of five weeks, and wasn't he good. We had a sing along. Graham French would make the third tenor, but you may have trouble finding another two in Rotary. The Christmas Hamper Raffle went off well, so St Vincent DePaul and Salvation Army Christmas donation each will receive round about \$100 each. Well done members.

**ROTARY INFORMATION:**

*A Vocational Service Project gives teens insight into the real world of work.*

When Andy Ballestra became Vocational Director for the Rotary Club of Naperville, Illinois, USA, in June 1998, he believed that it was important for the club to have a meaningful project that involved Rotarians with students in the local schools. They made the program work by tracking down the teachers and stirring up interest. During the 1999-2000 school year, the first year of the program, 25 Rotarians and chamber members made presentations in various classrooms, reaching more than 850 students. The Rotarian p.44.
