Noel has been around some 35 of the District 9710 clubs of 44, all about Australian Rotary Health Research Fund. ARHRF has pledged to invest at least \$5 million for research into mental illness and depression. It also aims to promote greater understanding in the community through education, which will reduce stigma and improve the lives of people affected by mental illness. Friend of the Fund. A friend of the fund is someone who has donated \$100 or more. Thank you Noel for your information on depression and mental illness.
