**LAST WEEKS MEETING:**

Gerry Gillespie of the New South Wales Waste Board spoke on landfill and waste. Gerry lives in Queanbeyan, is married with two children, his hobbies are music, gardening and worms. Started in the waste industry in 1990. Came manager for the South East Regional Waste Board in September 2000. What is waste? A lot of rubbish, but a lot can be recycled. I thought that Gerry came over very well.

**The Beauty of a Woman:** The beauty of a woman is not in the clothes she wears, the figure she carries or the way she combs her hair, the beauty of a woman must be seen from her eyes, because that is the doorway to her heart, the place where love resides. The beauty of a woman is not in a facial mole, but true beauty in a woman is reflected in her soul. It is the caring she lovingly gives, the passion she shows, the beauty of a woman with passing years only grows. Yours truly The Lady.
