THOUGHT OF THE WEEK BY: Rob Simms

Next Week: Alan Dodd

Take time to laugh – it is the music of the soul.

LAST WEEKS MEETING:

Wayne Benson and Joy Dawkins from the Cooma Monaro Emergency Service gave a report to the Club for assistance to raise money for The Centre, Cooma Youth and The New York Disaster Fund. At the board it was passed that the Club assist in this matter, and that treasurer John handle the finance.

Our Guest Speaker was Denise Hipwell from the Defence Service Call Centre. The Centre has almost been going for twelve months on 3 October 2001. Denise started on 3 November 2000. It has a staff of 85. In the work place they have raised some \$6,000 for charity over the past twelve months. The Call Centre is looking to go further a head in time to come. They get quite a number of funny calls. Denise is not an Australian she was born in Tasmania.

NEWS:

National Orienteering Championships: Rotary are catering for this on 6/7 October 2001 at Numeralla. This is a really big job and we want all members, partners and family to assist if possible. So keep it vacant please.

Last Weeks Markets: A pretty good day, 32 stalls paid \$446 (of which Rotary gets half and the other half goes to the Markets Promotional fund) and the BBQ took in \$772.50 with only \$162 costs (Gordon had a heap of goods frozen from previous days, so a profit of \$610.50 on BBQ).

Rotary Christmas Cakes and Puddings: Secretary Gordon has these for sale \$10.95 each and pretty good, taste tested by several club members.

Tom Dennis: Still in hospital, call in and see him if you can.

Polo Flat Airfield: As advised by Les Snowtells a couple of weeks ago "Wheelies with Wings" is trying to find a disabled person interested in learning to fly, so if you know anyone or want more info see Les.

ROTARY INFORMATION:

Attendance Last Week: 27 members out of 38 = 71% **Apologies:** Des T; Neville L; Ken P; Col A; John C; Graham F; Jim H; Wolfgang L; Steve S; Tony S **Leave of Absence:** Phill B

ROTARY INFORMATION: Cheese and Iron

In the May 2001 issue, Matters of taste indicates that cheese is a good source of iron. But that is misleading. Actually cheese is a very poor source of iron. A serving of meat has more than seen times the amount of iron. What is certainly true in the article is that cheese is rich in calcium and vitamin A – but not iron. The Rotarian Aug 2001 p 7
