LAST WEEKS MEETING

Once again we had the pleasure of welcoming a new Member- RICHARD LAWSON, and of course his wife Lainie . Richard was born in Adelaide in 1940 (so he hasn't reduced the clubs average age much) and was involved in farming there until 1980 when they moved to Canberra, where he was involved in Management of various Government areas until last year when he moved to Erindale, Nimmitabel and back to farming cattle and sheep. He has been actively involved in several community organizations, including a member of the Rotary Club of Canberra. A big welcome to you Richard and Lainie and hope you enjoy our fellowship.

The Guest Speaker was Simon Milligan who is the Child and Adolescent Mental Health Officer at Cooma Hospital. Has training in psychology and dealing with young persons with emotional problems, He didn't quote statistics much, but did tell us of the alarming National Suicide attempts each year, about 10 a week, and effects males more than females. But his main focus was on why, and how the community can assist. Youth cultures, how the community view these eg. the gathering of youth in Centennial Park, skate boarding etc that doesn't impress us. But what they need is conceptions and resiliency so that they can think positive and his final thought "While not all young people are wonderful, they are the future and we should value them"
