THOUGHT OF THE WEEK BY: Les Sutcliffe

Next Week: Brian Jeffries

If you are offered a deal which appears too good to be true, it probably is.

LAST WEEKS MEETING:

First: Introduced by Margaret Echarri were Mat Shirvington (not the red sprinter, but more distinguished as the son of Steve) and Jason Toole who recalled their experiences as our representatives at the recent "Rotary Youth Personal Enrichment" weekend program. They were very enthusiastic about the self awareness and confidence boosting focus of the program and would heartedly recommend it to future candidates. The vote of thanks was graciously moved by Claire Neumeyer.

The second part of the programme was devoted to the work of "wheelies with wings" a non-profit company committed to giving disabled people the opportunity to pilot aircraft. Two participants in this program, Tim Haynes and Mike Terren introduced by Steve Shirvington. A very active director of the company, ignited the discussion by inviting questions. The ensuing questions, answers and discussion was very lively indeed.
