LAST WEEKS MEETING:

Guest speaker was Angela Brown, Assistant Manager of Act, Eden Monaro Cancer support group. Which raises money to support families, particularly adults with cancer who have young families. Unfortunately there are a fair few marriage breakdowns in this area. Some of the assistance given is for travelling expenses, telephone and electricity, also budgeting. The budget this year is \$120,000, to date they have spent \$106,080. The support group are looking at fund raising in this area, and yes they do provide support down here. Fund raising is by many events including BBQ, morning teas, donations etc, but their most high profile event is The Hawaiian Shirt Day, which this year is on 6/12/02. They are looking for an organisation/person to coordinate this area and Alison Constance put her hand up. So keep that date in mind and get a Hawaiian shirt on. Stand by because I can assure you that your going to hear more closer to that date.
