## **the wine industry . . . .**

*David Madew gave a most interesting talk on the development and future of the wine industry in Australia and some hint of things that may come to pass world wide. It is anticipated that three years hence there may well be "insufficient grapes in the ground" to service the industry.*

*David went on to explain the wine industry to be cyclical. "Down at the moment, but big in the future with possible takeovers by big overseas companies".*

*David was thanked by Rotarian Tony Slater in the usual manner.*

*Rotarian Tony Slater thanks the Guest Speaker, David Madew at last week's meeting*

## LITTLE THEATRE FUND RAISER

The 24th November is the Little Theatre Show, "MUSIC MAYHEM AND MIRTH".

This should be a great night out for all. Cost is only \$25 per head. Names on the list are very helpful for catering and establishing a great night of fun and entertainment. It is planned to have the Box Office booking list at Cooma Colour Print. Get in early and book your tickets to make this a great night out and raise funds for your Club. The premises are licensed so a cool drink can be obtained prior to and after the performance.

## Snippets . . .

During Movember (the month formerly known as November) Howard will be growing a moustache. That's right he's bringing the Mo back because he's passionate about changing the state of men's health.

Male health is a major issue, did you know:

1. Men are far less healthy than women. The average life expectancy of males is 6 years less than females.

Every year in Australia 2,700 men die of prostate cancer — more than the number of women who die from breast cancer.

Depression affects 1 in 6 men...Most don't seek help. Untreated depression is a leading risk factor for suicide. Rates of suicide are more than double the national road toll.

Help Howard change the face of men's health by sponsoring his mo.

Please go to <http://www.movember.com/au/sponsor>, enter Howard's Rego number which is 12945 and your credit card details. All donations of \$2 and over are tax deductible.

*The money raised by Movember will be used to change the face of men's health by creating awareness and funding research into prostate cancer and male depression.*

*It is very pleasing to note that the Rotary Club raised \$92 towards this worthy cause at Wednesday's meeting.*
