## **OUTBOUNDER HAS HER SAY!**

THE GUEST SPEAKER was our outgoing GYE Student Katie Adams who had a very well prepared presentation.

She departs Sydney at 5.05PM on Friday 19/0107 arrives Paris at 6.45am Saturday 20.01.07 hopefully will be picked up by her host family and driven to Chateauroux, her host city a population of 50,000 (a bit larger than Nimmitabell) about 2 hours south of Paris. The town is regarded for its castles, wine and Cheese. She shared with us overviews of her host families, school, which she will attend 9am to 5pm,

subjects, sports and her preparations, aspirations and hopes. When she returns she will attend Monaro High in year 11 a year behind her present classmates, and could go on to be a teacher. Only hope she can fit all the shopping on the plane when she returns. No doubt her counsellor Kym will keep us well updated on her exchange. She is well prepared and no doubt will be a great ambassador for Rotary, Cooma and Australia.

We look forward to her

address to the club on her return.

### RE: WOOLWORTHS NATIONAL DROUGHT ACTION DAY

I would like to bring to your attention an important and timely Woolworths community initiative which is taking place throughout January 2007.

As part of a wider commitment to supporting Australian rural communities, Woolworths will donate its entire Supermarkets profits, for the day of January 23 2007, to drought relief.

The majority of the money raised (expected to be in excess of \$3 million) will primarily be used by the Country Women's Association to provide immediate support for rural families' household needs, including paying utility bills, purchasing groceries and fuel. The remainder will help fund research into sustainable farming practices.

Due to the immense impact of the drought, we are aware that the money we are contributing is a small gesture; but we also believe that it is important to raise levels of awareness and understanding amongst all Australians.

We are therefore encouraging individuals right across the country to show tangible support for our farmers during this difficult time. Shopping at Woolworths on January 23 is just one of the ways people can do this.

We have a long way to go to ensure the long term viability of our agricultural industry in the face of unpredictable climate change. However, Woolworths is determined to help generate a wider understanding of the issues we all face and would welcome any show of support from those who may share our concerns.

Please feel free to contact my office in regard to any aspect of Woolworths National Drought Action Day.

Yours faithfully,

Michael Luscombe

## LAUGH IT OFF!!!

A man was just waking up from anaesthesia after surgery, and his wife was sitting by his side. His eyes fluttered open and he said, "You're beautiful." Then he fell asleep again. His wife had never heard him say that before, so she stayed by his side. A few minutes later his eyes fluttered open and he said, "You're cute."

The wife was disappointed because instead of "beautiful," it was now "cute." She asked, "What happened to beautiful?"

The man replied, "The drugs are wearing off."
