Building a better future

Guest Speaker this week was Kevin Hambly, a well known artist who wears a distinctive hat. Kevin came to live on the Monaro 25 years ago. Kevin is a visionary who has a view to have a facility built here to encourage more tourists to stop over and stay, provide, employment by building solar and environmentally friendly community facilities, and he did nominate a couple of possible sites, but this would need innovative creative people to work together. Kevin provided everyone present with a paper titled 'AN ART AND ENERGY LOW & HIGH TECH PLAN FOR TODAY AND THE FUTURE' it is not necessary to repeat it here.

Our latest addition to the club

Doug & Monica with Alexi

Alexi has settled in well at home since leaving hospital 3 weeks ago. We welcomed Alexi on 5th September at 2.27am, after a trouble-free labour lasting 2.5hrs from go to woe. Born weighing 3.6kg (7lb 15oz) Alexi has put on 400g since leaving hospital. Measuring 49.5cms long he's already grown 4cms. We think he has

many of Doug's features including nose, upper lip, forehead and feet. He has dark hair and my bottom lip!
