Indiana Downunder

This week's guest speakers were the visiting GSE team from District 6540, Northern Indiana USA. The team arrived in Cooma on the previous Friday and since that time have been exposed to a wide range of our region's points of interest. From climbing Mount Kosciuszko to viewing Australia's largest engineering project the Snowy Mountains Hydro-electric Scheme and attending a local cultural event "A Feast of Poetry" at the Raglan Gallery. The Team presented their story via PowerPoint and a comprehensive brochure covering their individual biographies and commentary about Indiana. Many thanks to all who hosted and assisted with the program, particularly Gordon Haylock for his planning (sorry you couldn't make the night and hope you feel better soon), President Cheryl for her fabulous input as "Club Tour Guide". To Colin Mould and Les Sutcliffe for imparting some lesser known "Aussie Culture" onto the visiting team members, they may never be the same again!!

November is Rotary Foundation Month

Rotary was begun in Chicago by Paul Harris in 1905. It is now a worldwide organization of business and professional leaders that encourages high ethical standards in all vocations, and helps build goodwill and peace in the world.

In 1985 Rotary International committed to ridding the world of polio. With the World Health Organisation, United Nations Children's Fund and the Centres for Disease Control & Prevention, Rotary has immunised over **2 billion** children and reduced the incidence of Polio by 99%. However, the last 1% is the biggest challenge. To protect the children of the world and the \$US600m already contributed by Rotarians to date, we must succeed.
