Naomi Burgess – RYPEN

Naomi Burgess spoke to the club relating her experience at Mogo on the recent RYPEN (Rotary Youth Program of Enrichment). Naomi made special mention of her gratitude to our club for sponsoring her on this great experience. Naomi talked about

the program and how it revolved around building teamwork and understanding the strengths and weaknesses of the team and most importantly of yourself. During the weekend the attendees played games, went to discussion groups, learned about "listening and talking" and knowing yourself. On the Friday night a bush dance was held, at first the group were very slow starters but by the end of the night they were hard to stop!! Naomi said the course and its content were well organised and constructed. A big feather in Naomi's cap was the fact that she has been asked back to future RYPEN weekends as a mentor.

GSE to Indiana reunion

Andrew - Steve - Cathy - Nat

Last weekend the 2008 Group Study Exchange team to Indiana from D9710 got together on the coast to reminisce on their marvelous experience. Word has it that certain members of the team were so excited by the get together that they may have lost some self control. Clearly the Sergeant heard about this and penalised the innocent team leader for the misconduct of the others!!! After a big Friday night, followed by a quiet Saturday, the team met in Cooma for a very subdued lunch.
