Rotary Visioning

It wasn't a large turnout by any stretch of the imagination, but those who attended this week's Visioning program made up for the absentees with plenty of entrepreneurial ideas and solidified our club's plan for the future into a "massageable" package.

Facilitators Phill, Lynne and Jeff

Lead by David Holgate, 23 Rotarians reviewed our past five years' performance as a club, based on the premise that the meeting was taking place in the year 2014. We looked at where we want to be and how we want to be perceived (as a club), addressing such things as number of members we should have, our major attributes, aspects of Club, Vocational, Community, Youth and International service. We reviewed Fundraising, Rotary Foundation and Public Image and Awareness.

David Holgate reported that the tree planting at Rotary Oval went ahead last Saturday, however they dug more holes than they had trees, therefore more trees are required.
