Snowy Hydro SouthCare – Jenny Swanson

Issue: 23 June

The guest speaker was Jenny Swanson who was born and bred in Adelaide and said her school motto was "Crescam Ministrando" (I grow by Service), has stayed with her throughout her life. Jenny has lived and worked in Canberra since 1984. Her vocation of Sales and Marketing has taken her into the field of Television and Radio. She also held the role of Membership Manager of ACT and Region Chamber of Commerce for several years. In 1994 she joined the Rotary Club of Canberra Burley Griffin, serving as president in 2003/2004. Jenny's keen interest in networking and her desire to serve her community led to her appointment as Regional Relationships Manager for Snowy Hydro SouthCare Trust Fund, which was set up to help keep the rescue Helicopter in the air saving lives in the ACT and Southern NSW Region. is now 30 years old, but it is well maintained and serviced, and is in excellent condition. The chopper is called on up to five times a day and has been used 3,980 times in the last twelve years. At the present time there is no replacement required or planned. The operational area of the chopper is from the Victorian border west to Wagga and north to take in the ACT and Goulburn including the Snowy Mountains. Because of its night time search and rescue capability it is contracted for night services to Orange. The service is funded by several bodies, Costings are: Search and Rescue - Federal Government pay. ACT Primary - patient pays nothing, NSW Primary - billed by Ambulance Service NSW (not helicopter bill). Private health care covers cost, so if no private

health cover, patient pays. NSW Hospital to NSW Hospital - (e.g. Wagga Base to North Shore) hospitals split bill, patient pays nothing. NSW Hospital to Canberra Hospital - referring hospital picks up the bill, patient pays nothing. Canberra Hospital to Sydney Hospital; The Canberra Hospital billed but patient pays nothing. Well done Jenny, and we will see Jenny at our Changeover Dinner.
