Focus on and increase humanitarian services; 3. Enhance our public image and awareness. These are the root of Rotary's core values representing the guiding principles of Rotary's culture and they are

of service. *INTEGRITY - we adhere to high ethical standards and are fair and respectful of our interactions.

*FELLOWSHIP - individual efforts focus on individual needs, combined efforts serve humanity. RI President Ray asked Governors to engage with clubs with the emphasis on HELPING CLUBS DO WHAT THEY WANT TO DO and by doing this make clubs BIGGER, BETTER AND BOLDER. Bill then spoke on our flagship Rotary program POLIO PLUS. Begun in 1985, Rotary has invested hundreds of millions of dollars to eradicate this disease. We are now so close to success

that only four countries are reporting new infections with numbers now in the low hundreds worldwide. The current statistics are available on: Wild Poliovirus weekly update. DG Bill finished his address by describing the RI Presidential Citation details of which is set out in the District Directory.

My grandfather once told me that there were two kinds of people: those who do the work and those who take the credit. He told me to try to be the first group; there was much less competition.
