The Rotary Club of Cooma Inc.

Future Prosperity of Cooma - Brian Coyte PHF

Issue: 6 April

Guest speaker was Brian Coyte, who celebrated his 50th birthday with his wife Dale and the Club. He was introduced by a long time family friend Lester Sutcliffe (known to us Rotarians as Les). Brian spoke on the future prosperity of Cooma and the region. Brian came to Cooma in 1988 and spent five years on the board of SEAC. Brian said that Cooma has a good prospect for future development and employment, and when you look at recent developments with the expansion of Coles, Aldi and IGA supermarkets in the area, others also will feel it has a bright future. Brian also mentioned the gaol expansion, call centre and possible university expansion, coupled with the rural scene, and Snowy Scheme there are plenty of employ-

ment opportunities. Brian also mentioned the cycle and motor cycle events passing through; local Rugby, AFL, Rugby League Soccer and Car Club all of whom are assets to our area. But while we have these assets, as a community we need to support them. The three shires need to work together. A very good address by Brian and no doubt created interest to us all.

Graham gives thanks

Outreach Coarse - Cooking for Blokes

Wednesday nights 5:45pm to 9:00 pm from 27 April to 22 June – 9 weeks. Learn cooking skills in the company of other men/blokes in the wonderful Cooma TAFE kitchen. Learn to cook nutritious yet interesting food, develop skills for home, community, work or further study. No NSW TAFE Administration Fee but students pay a one-off food charge of \$50 plus a \$50 (refundable) uniform deposit. Rotarians may know some dads/ uncles/ friends out there in the community who may really benefit from attending this course. Please spread the word around. The course was held in Bombala and was very popular, the class filled very quickly. If you would like a flyer to display at your business contact Tracy Crompton 6452 0763 tracy.crompton1@det.nsw.edu.au www.illawarra.tafensw.edu.au

Phenomenon - Des Trute

Something that only happens once in every 800 years. Take the last 2 numbers of your year of birth, add your age this year and it will add up to 111. For those born from 2000 take the last number of their year of birth, add their age and it will come to 11.....amazing.

Thought of the Week - David Holgate

To die is nothing, not to have lived is a tragedy.
