commodation in Cooma, Yvi assisted her in getting established in Canberra. Yvi is part of a group called MAGIC (Multicultural Activity Group In Cooma) and has been involved in arranging friendship classes, a language message bank, childcare meetings and playgroups, assisting families with little children with help in domestic violence. The Monaro Family Support Service in Cooma (MFSS) coordinates information sessions for the local multicultural population

luncheon, to which seniors are invited, where information on different topics is discussed and a Seniors Aged Care Newsletter is available to all. Yvi has organised several Multicultural Festivals, and the last one held on our market day was a great success for our club. Hopefully we can combine again next year. On display at the meeting were several Multicultural quilts made by Yvi's friends. Yvi announced that there will be an International Luncheon at the Monaro Family Support Centre from 12.30pm on 17 June 2011 which members can attend, just bring a plate, preferably with food on it. A free workshop, Refugee Experience, is being held on Friday 1 July 2011 from 10:00am to 3:00pm for volunteers caring for people from a refugee background.
