John K: A big thank you to all who helped, including those from the Christian School, with the catering carnival, and a special thanks to Sue and Darrell who worked long hours. The total number of service hours was 228. John's efforts in organising the event were recognised by acclamation. Due to circumstances beyond our control, the return on all that work, \$1358.60, was very disappointing.

ROSTERS - These will be sent separately from the bulletin this week. Please remember to get someone to substitute for you if you are unable to comply with the roster.

Elaine spoke about neurological damage she incurred through a tractor accident. After a lot of reading and trial and error, she realised that the intake of increased oxygen improved her well-being. This increase was first noticed through taking vitamin B1.

Further research disclosed that many conditions have an inadequate supply of oxygen to parts of the body and sometimes a machine is used to pump in extra oxygen.

Elaine calls her treatment MOT, Mini Oxygen Treatment, which she achieves through deep breathing 24/7.

Rebecca Wuersch, our exchange student in 2012-13, will be visiting the area during the Christmas period.
